

## REQUEST UNDER THE VERMONT PUBLIC RECORDS ACT

August 28, 2017

Vermont Attorney General's Office  
109 State Street  
Montpelier, VT 05609

**By Electronic mail: [ago.info@vermont.gov](mailto:ago.info@vermont.gov)**

**RE: Certain records related to public records requests from Corey, PR Watch, or the Sabin Center**

To Whom it May Concern:

Pursuant to Vermont's Public Records Act (PRA) (Vt. Stat. Ann. tit. 1, §315 *et seq.*), the undersigned groups request copies of any and all records held by your office as described herein. The Free Market Environmental Law Clinic (FME Law) and Energy & Environment Legal Institute (E&E Legal) are both non-profit educational foundations incorporated in Virginia, with offices in Washington, DC, with established public records transparency practices. Consistent with the Vermont Public Records Act, we expect a prompt, substantive reply to our request. Given the non-profit transparency and journalism activities of the requesters, described below, we ask that those limited copying charges permitted by §316 be waived.

We hereby request copies of all public records requests received by the Attorney General of Vermont, which requests were sent by Jamie Corey, PR Watch, or the Sabin Center for Climate Change Law, and which the Attorney General's Office has received in the past 12 months. Additionally, we request copies of all responses made pursuant to the PRA by the Office of the Attorney General, which responses were sent to Jamie Corey, PR Watch, or the Sabin Center for Climate Change Law in the past 12 months.

**We request records in electronic form if available, pursuant to § 316(h) and § 316(i).**

By the nature of this request *most responsive records should be in electronic format, necessitating no photocopying expense.*

**We do not seek duplicates** of responsive records.

If you have information to help further narrow this request please feel free to contact the undersigned.

**We request a rolling production**, if/as you see necessary and appropriate within what the PRA permits, with responsive records being processed and produced independent of any others, as no such production is dependent upon other records being released.

While we request that the limited fees be waived in the interest of transparency, we nevertheless agree to pay legitimate expenses up to \$150.00. If you estimate costs will exceed that, please notify us and break down the expected costs.

Neither of the undersigned seek the information for a commercial purpose. FME Law and E&E Legal are organized and recognized by the Internal Revenue Service as a 501(c)3 educational organization (not a “Religious...Charitable, Scientific, Literary, Testing for Public Safety, to Foster National or International Amateur Sports Competition, or Prevention of Cruelty to Children or Animals Organization[.]”). As such, we also have no commercial interest possible in these records.

E&E Legal, for example, is also a media outlet for these purposes<sup>1</sup>: it not only serves as a regular source of public information and substantive editorial comment about this information

---

<sup>1</sup> Examples of open records-derived publications by E&E Legal requesters include, Horner: [The FOIA coping response in climate scientists](#), WATTS UP WITH THAT, Jan. 21, 2014 (where ATI/E&E Legal disseminated FOIA-obtained information from NASA, University of Arizona

to numerous national (and/or local) media outlets but also applies substantive editorial input in its own publications disseminating public information.

In addition to coverage of its FOIAs in print publications, E&E Legal regularly disseminates its findings on broadcast media. E&E Legal and FME Law are also regularly cited in newspapers and trade publications for their open records efforts.<sup>2</sup>

The requested information is of critical importance to the nonprofit policy advocacy groups engaged on these relevant issues, news media covering the issues, and others concerned with government activities on this critical subject, or as the United States Supreme Court once noted in the context of the federal FOIA, what their government is up to.

We repeat our request for a rolling production of records, such that the State should **furnish records electronically to the undersigned as soon as they are identified, on a rolling basis if necessary, and any hard copies to 3033 Wilson Boulevard, Suite E576, Arlington, VA 22201-3843.**

If you have any questions please do not hesitate to contact undersigned counsel.
